Students will have awareness and be practiced in the the Five Universal Core Social Emotional Learning Competencies

- Self-Awareness.
- Self-Management.
- Social Awareness.
- Relationship Skills.
- Responsible Decision-Making

EDUCATIONAL PROJECT

Community Profile

Our population includes students from Pierrefonds, Ste Geneviève and Ile Bizard. TFE families come from diverse cultural and socioeconomic backgrounds. We perceive a diverse school community as a source of strength, posting a tremendous benefit to students and staff as we learn to work together towards shared goals.

The school is named after Terry Fox, a heroic Canadian who embodied the virtues we love and appreciate. Terry Fox is an English elementary school within the Lester B. Pearson School Board, offering a French Immersion program, Français Plus Model.

Our school yard includes a soccer field, a basketball court, a baseball diamond and several play structures for students to enjoy.

EDUCATIONAL PROJECT

Academic Program – Approaches to Learning

We offer French Immersion, Français Plus model, which extends the Immersion Program to the end of grade 4. Curriculum content is approximately 85% French from Kindergarten to grade 4. In grades 5 and 6, it becomes approximately 50% in each language.

Our focus is to help students attain wellness and achieve their personal best, by implementing best teaching practices and engaging them in their learning. We also promote mindfulness and encourage a healthy and active lifestyle.

Terry Fox Elementary applies New Pedagogies for Deep Learning (NPDL), which is a global partnership with six learning competencies: Collaboration, Critical Thinking, Creativity, Citizenship, Communication and Character. These competencies are developed under the following elements: Pedagogical Practices, Leveraging Digital, Learning Partnerships, Learning Environment. Teachers help promote deep learning through project based learning opportunities.

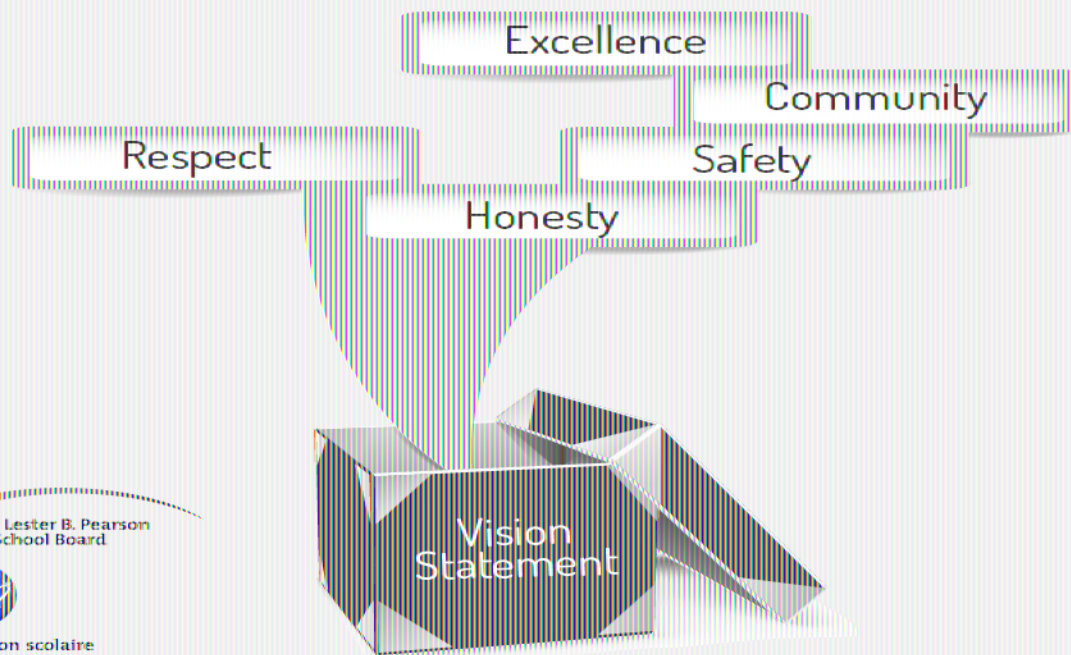

Terry Fox Elementary also progressing towards the full implementation of social-emotional learning (SEL) in all grade levels. All members of the school team, teachers and support staff, are currently receiving training in SEL and trauma informed teaching practices. Staff are also receiving training on the role Executive Function skills play in classroom learning and how to employ SEL to maximise student learning.

Engaging learners for life

Mission
