AN INTERVIEW WITH MISS NATALIE

Miss Natalie is a McGill student-teacher who worked with the Grade 6 classes from the first day of school until the first week of December.

Miss Natalie has always liked working with younger kids. When she was little, her sister always played teacher with her. While being a student teacher, she's learned that you have to be patient. She has also learned that you should have fun every day no matter what.

Her favourite school subjects are probably science and English. Miss Natalie's favourite hobby is synchro (she also teaches a team). If she wasn't a teacher, she would probably want to be a chef. She can't resist pasta, burgers, asian-style food and sushi. She loves comedy and suspense movies. Miss Natalie's favourite book is The Pact.

A funny story she was willing to share with us was that one day, Miss Natalie was at synchro practice and while she was walking, she slipped and fell on her butt! Ouch!

Thanks for working with us Miss Natalie! We miss to a lot already!

UNE ENTREVUE AVEC MME NADIA

Mme Nadia est une enseignante de maternelle à Terry Fox. Pendant sa carrière d'enseignante elle a déjà enseigné à une autre école avant Terry Fox. Elle a enseigné à St-John Fisher. Elle est une enseignante car elle aime beaucoup les enfants et elle aime voir les enfants grandir. Elle veut aussi partager avec les lecteurs qu'elle aime quand les maternelles font des activités avec les 6ième années parce-qu'elle voit ses anciens élèves. Elle aime aussi enseigner la maternelle car elle aime avoir des nouveaux élèves chaque année. Si elle n'était pas une enseignante, elle ouvrirait un magasin de livres pour enfants

Mme Nadia aime enseigner la maternelle. Son année préférée était la 6ième année quand elle était jeune. Elle est passionnée de l'équitation et de la planche à neige. Elle en fait lorsqu'elle n'est pas à l'école. Son mets favori est le homard. Elle aime les films d'animations. Son livre favori est <<La rébellion chez les crayons.>>

L'histoire la plus embarrassante de Mme Nadia se passe au cinéma. Lorsqu'elle est allé chercher du popcorn pour sa famille elle retournait mais elle n'arrivait pas à les retrouver. La salle était noire. Elle a vérifié pour dans les toilettes, dans le stationnement pour retourner dans la salle de cinéma. Finalement, elle a retrouvé sa famille après le film. Merci Mme Nadia pour votre temps.

FUN STORY

Wendy's Fort

Wendy needed to go in her backyard to get materials for her science project that was due tomorrow. She totally forgot that it was due tomorrow. She hadn't done one thing for her project. She got some of her materials. She found 12 yellow leaves, 20 brown leaves, 3 red leaves and a couple sticks. She decided to do most of it at her place then do the rest of it at school first thing in the morning.

She wanted to make a little fort with her hamsters inside. They're names were Nibbles who was the oldest, Batman, who was the second oldest, and finally Sushi! Later the next day Wendy found out from her best friend Adrien that they had science right away when the bell rings!

"Great! great!"

"What?" Adrien asks Wendy.

"I forgot to do my science project and I didn't get a good chance to finish it! And now it's due today!...."

"Wait! What? It's due today???" Adrien yells.

"Apparently." Wendy replies.

"NOOO! I thought it was due in January!!"

"Well you're wrong! Because it's due today. Suzie even told me."

"Suzie?! Suzie the prankster?" Adrien asks Wendy in surprise.

Later, the bell rings to line up and go inside. Then the second bell rings and they went straight to science class. Wendy went to go inform Miss. Bailey that she forgot to do the science project that was due today.

"What?" The science teacher says.

"Yes. Im super sorry."

"It's not due today it's due on January 10th!"

"WHAT???" Wendy yells in crazyness!

"Suzie really! Are you for real? I worked really hard and
