

School Success Pledge

Terry Fox Elementary School envisions the highest level of success for each and every student. We are committed to motivate, to challenge and to inspire our students to achieve their full potential. The student, the parent and the school need to work cooperatively to ensure the success of our students. To demonstrate your commitment to your child's success, please read and sign this pledge together with your child.

Parent/Guardian Responsibility

I want my child to succeed in school. Therefore, I will:

1. Encourage and support my child's learning.
2. Cooperate with the school staff for the benefit of my child.
3. Provide and ensure that the school has current telephone numbers through which I can be reached at all times during the school day.
4. Supervise completion of homework daily; review my child's agenda every day; and check my child's school bag daily.
5. Provide a quiet, distraction-free environment for the completion of homework.
6. See that my child is prepared and has the necessary materials each day.
7. Ensure my child's attendance and punctuality. I understand that school success is enhanced through excellent attendance and that frequent absences and tardiness inhibit learning.
8. Respect the dress code and dress my child accordingly.
9. Familiarize myself and my child with Terry Fox Elementary School's Anti-bullying and Anti-violence Plan, Rules and Regulations, Code of Conduct, and Guiding Principles.
10. Encourage my child to report to the proper person (teachers, principal, etc.) any problems that may develop (rather than resorting to hitting or taking matters into his or her own hands.)
11. Expect exemplary behaviour from my child at school, on the bus, on field trips and support the discipline policies in place to keep our students safe.
12. Ensure that my child reads with an adult every night for a minimum of 15 minutes in both French and English.

I understand that, by choosing TERRY FOX ELEMENTARY SCHOOL, I have made a commitment to assist and support the school in order to provide the best education for my child.
